Rex Reed raves about "The Texas Chain Saw Massacre."

'THE TEXAS CHAIN SAW MASSACRE', MAKES 'PSYCHO' LOOK LIKE A NURSERY RHYME AND 'THE EXORCIST' LIKE A COMEDY. IT IS EVEN MORE FRIGHTENING THAN 'THE NIGHT OF THE LIVING DEAD'.

Without shame, I can honestly tell you it is the most horrifying motion picture I have ever seen. Don't look for the office scenes, where you can rest between heart attacks. This film is positively ruthless in its attempt to drive you right out of your mind and it accomplishes everything it sets out to do with brilliance and unparalled terror.

RUN DON'T WALK TO SEE THE SLEEPER HORROR MOVIE OF THE YEAR'. —Rex Reed
